

## Preferential rates for residents Adopted March 5<sup>th</sup> 2021

### POLICY STATEMENT

The present policy aims to offer preferential rates to residents and/or property owners of the municipalities which are members of the Corporation du Parc régional du lac 31 Milles.

### RANGE OF APPLICATION

The present policy is applicable to all permanent residents confirmed by a piece of valid photo ID showing home address, and to property owners confirmed by a municipal assessment or municipal tax bill.

Only municipalities sharing a shore of 31 Mile Lake and members of the board of administrators qualify. In 2021 those municipalities included Bouchette, Sainte-Thérèse-de-la-Gatineau and Notre-Dame-de-Pontmain and the Town of Gracefield.

### PREFERENTIAL RATES

Upon confirmation of a valid proof of residency or of property ownership and for each annual operating season, the client is allotted:

- Free camping (tent) on all sites for a maximum of 5 nights.
- Unlimited free parking at the launch of the client's municipality or town only (one single and same boat launch and parking).

### RESERVATION METHOD

The resident or property owner must reserve online in a self-serve fashion through the official gateway Reservotron and pay with a credit card. Telephone or e-mail reservations are no longer accepted. Once the reservation is completed and paid, a proof of residence or property ownership must be submitted to the Corporation du Parc régional du lac 31 Milles by e-mail to obtain the applicable refund and/or rebate. Refunds from the Corporation du Parc régional du lac 31 Milles may take up to 5 days to process through the client's credit institution.

### RESTRICTIONS

Free of charge and preferential rates are allotted to a single address, regardless of the number of occupants or the number of co-owners of a property.

The name used for the reservation must match the proof of residence and this same person must be present at the time of the stay.

It is formally prohibited to use a proof of residence to obtain camping stays for reuse or resale to a third party. Random identity checks will be performed by lake patrol employees during the stay.

### MODIFICATIONS

The present policy can be modified without warning.
